

Southern PIKNIK®

The Perfect Picnic

Southern Piknik® commercial products have been a practical and easy choice for resorts, parks, clubs, restaurants, and other public facilities. They are equally popular with industrial and commercial clients for employee break areas. These tables are perfect for parks, playgrounds, or even backyard barbecues. They can take any abuse that can be doled out during busy events or harsh weather. That's why we offer a lifetime guarantee!

Comfort Seating

Includes 12" wide contoured seating for more comfort.

5.5" High

The Folding Southern Piknik® folds to 5.5" high.

No Rust

Made using aircraft grade aluminum and a UV resistant powder coat finish.

Securely Locked

Telescoping frame with a positive locking ring secures the folding picnic table in both upright and transportation positions.

Lil' Piknik™

These tables for tots won't have to be replaced for generations, so pick a color their grandkids will like!

Tiny Tots

Lil' Piknik™ tables available for children.

Restful PlayBreak

Includes 10" wide seating for more comfort. Rounded corners make for safe playtime furniture.

Specifications

Sustainability

Aluminum extrusions contain 70% recycled aluminum; 10% is post-consumer content, and 60% pre-consumer content. Southern Aluminum products are recyclable. All aluminum components are smooth finish high strength alloy 6063-T6 extrusions unless otherwise noted.

Table Tops

All tops are .080" thick with primary stiffener ribs. Tops are constructed of individual aluminum boards bolted together and have longitudinal seams. Main frame aluminum tubing is 1.9" outside diameter .109" thick wall pipe and diagonal braces are 1.5" surface with .080"-.090" nominal walls. Southern Piknik® tables have 12" wide serrated-surface bench seating with a table top width of 30". Table width measures 64" bench-to-bench. Bench height is 17.5". Table measures 30" from top to floor. Space between table top and bench measures 12.5".

48" square Southern Piknik® tables have 12" wide serrated-surface bench seating with a table top width of 48". Table width measures 82" bench-to-bench (92" with backrest). Bench height is 17.5". Table measures 30" from top to floor. Space between table top and bench measures 12.5".

Folding table telescoping outside tubing is 1.5" surface .062" nominal wall and inside tubing is 1.125" surface .062" nominal wall. Folding mechanism has a double push button lock, which can be securely locked, in the upright position. Fasteners are stainless steel. Folding tables have a 12" wide serrated-surface bench seating with a tabletop width of 30". Table width measures 64" bench-to-bench. Bench height is 17.5". Table measures 30" from top to floor. Space between tabletop and bench measures 12.5". When folded, table height measures 5.5". Folded height and length are 6" and 83". All surfaces are weather and wear resistant. Available in powder coated paint finishes.

Benches

Southern Piknik® benches have 12" wide comfort-contoured seating. Available in portable and permanent installation models. Portable bench height is 16.5". Permanent mount bench has a mounting post length of 32" (17.5" when installed).

Product Care and Maintenance

Finish will scratch if dragged or mishandled. Clean with mild soapy water and rinse thoroughly. Non-abrasive household cleaners can be used on stains.

Lifetime Written Warranty

Southern Aluminum's expertise in design and manufacturing has always set the highest standards in our markets and we want you to be confident in our time-tested and functionally proven products. We guarantee our products under normal use and normal conditions for as long as you own them. This includes the functional and mechanical performance of each product as used in the conventional purposes and application. This warranty does not cover the normal wear and tear on tabletop surface or edges. There does not exist any known horizontal surface material or surface treatment, whether manufactured by Southern Aluminum or any competitors/manufacturers, which is completely scratch resistant. Southern Aluminum does not warranty scratches, gouges and other physical damage to the tabletop finish caused by transport, storage and use (misuse).

We provide instructions and teaching aids (DVD video, posters, hard copy instructions) regarding the care and maintenance of our products. In addition, Southern Aluminum offers specially designed and engineered heavy-duty table carts that reduce the likelihood of or eliminates the damage that conventional table carts can produce.

Some surface materials (Wilsonart, Formica and other HPL laminate products; stage carpet) are not manufactured by Southern Aluminum and are governed solely by the guarantees or warranties of these manufacturers. In addition, discoloration due to harsh cleaners, blemishes, scratches and deterioration to HPL laminates are not covered.

In the unlikely event of a warranty issue after your products are in use, we will replace or repair the product(s) at our discretion.
